

CLEVELAND INSTITUTE OF MUSIC

**I-20 Certification of Finances 10-11**  
**Required of all international students to confirm enrollment**

Please submit this form (with documentation for page two) only if you have been admitted to CIM and are confirming your Intent to Enroll. This is required of all international students in addition to the \$600 Tuition Deposit and Intent to Enroll Form that is due to the CIM Admission Office. Until you have fully documented ability to pay for your first year of enrollment at CIM, we are unable to confirm you as a new student. This is due by 4/15/10 for Graduate applicants and 5/1/10 for Undergraduate applicants. Beyond those dates, we cannot guarantee admission, but if the 10-11 class is not yet full, we will confirm on a first come, first served basis.

The information on this form is needed for CIM to process your I-20 as needed to obtain your student visa. We assume all international applicants will be studying under the F-1 visa category. If that is not your intent, please contact the CIM Financial Aid Office for clarification.

The Cost of Attendance (tuition, fees, room and board) at CIM for the 10-11 academic year is estimated at \$50,000, which includes both direct/billed and indirect/nonbilled costs. If admitted, Please refer to your I-20 funding worksheet that was sent as an attachment to the email from the CIM Financial Aid Office after you were admitted. That worksheet will detail the actual cost you must document with funding for I-20 purposes.

You are expected to provide resources to cover this cost. You are also expected to have the ability to cover the cost of subsequent years of your enrollment at CIM (financial aid is typically renewed at same level, assuming Satisfactory Academic Progress and cumulative 3.0 GPA is maintained).

If sources of support as indicated by you on this form later become unavailable, CIM will not replace such loss with its own funds. Further, CIM academic regulations do not permit a student's dropping below full-time enrollment in order to engage in employment due to economic hardship. Therefore, loss of support may make it necessary for the student to request a leave of absence or withdraw from his/her study if other private sources of funding cannot be obtained.

This is the same as Line C on your I-20 worksheet as emailed to you by the CIM Financial Aid Office upon financial aid notification after you were admitted, if applicable.

You may use any combination of the following to certify finances and ability to pay. **Please attach a bank statement dated within the past 30 days and with the account holder name clearly pre-printed in English**, loan approval or other documentation of available funds for each line entered below, as applicable. Any persons providing financial support other than student or parent (as listed on the applicant's "International Declaration Form") must also submit the CIM Sponsor letter (this form may be downloaded from your NetPartner Forms screen) to verify such funds are specifically available for use by the student to cover the 10-11 educational cost of attendance at CIM. CIM will convert all foreign currency to U.S. dollar equivalents as of date submitted. Again, all documentation must be pre-printed in English, specifically the account holder's name. All funds used to document ability to pay must be current cash in hand, not projected or future earnings of any sort.
