- These figures are applicable only to the 2026-27 academic year; students should expect modest cost increases annually.
- Indirect cost estimates are based on 9 months of the academic year and are informed from current student surveys.
- The values above assume full-time enrollment and will be adjusted for less-than-full-time enrollment or single-term enrollment. For a more comprehensive list of fees and other costs, see the following pages.
- Undergraduate students are expected to live on campus at 1609 Hazel for all four years.

* Commuters live with family locally. First-year undergraduates require dorm release approval by Student Affairs and Services.

¹ Student Services fee includes but is not limited to: student activities, library, technology, ID, TCO Student Pass.

² Performance Services Fee includes but is not limited to: collaborative piano, recording services, recital support, instrument lending and maintenance, and other production services and support, up to limits set by Artistic Administration and Operations.

³ 1609 Hazel has full in-suite kitchens; our budget assumes students will purchase and prepare their own food. If they prefer, both on and off campus students may opt into a formal meal plan (see next page for Hawken Meal Plan options). In the spring 2026 term, approx. 20% of 1609 Hazel residents purchased a formal meal plan.

⁴ Average Federal Direct Loan origination fees. Actual amount varies by amount borrowed and annual Direct Loan Origination Fee rate. If no federal loan borrowed, this fee is not applicable.

⁵ Medical Plan Fee is billed to all students. Student may submit a medical plan waiver form by posted due dates to verify comparable coverage to receive an offsetting credit to result in a net \$0 cost for this item. Waiver forms must be filed each year, as applicable. ***"All insurance coverage is subject to applicable state form and rate filing approval and, once approved, to the terms of the Master Policy. We have not yet received approval from the state insurance department for the 2026/2027 benefits, features and rates described in this document. As part of the approval process, the State may require us to make changes to the benefits, features and/or rates. We will notify you if that happens."***

Notes:

- The costs on this budget reflect the 2026-27 academic year only; students should expect modest increases annually for tuition, fees, living expenses, etc.
- The Cost of Attendance budget's indirect (non-billed) costs are derived from internal review of annual student cost surveys, College Board's living expenses estimates, peer institutions, and local market trends.
- Documented expenses relating to child or dependent care, student disability, and approved study abroad programs may be included to an individual student's cost of attendance budget as reviewed on a case-by-case basis.

Subject to Change Disclaimer

CIM reserves the right to make corrections or adjustments to the information in this document as applicable. Cost of attendance may need updated in the event of unexpected campus closures and/or adjustments to the academic calendar. These circumstances could include, but not be limited to, a sudden natural disaster or health crisis. In these situations, financial aid eligibility is adjusted accordingly.
