About CIM
The Cleveland Institute of Music empowers the world’s most talented classical music students to fulfill their dreams and potential. Its graduates command the most celebrated and revered stages in the world as soloists, leading roles, chamber musicians and ensemble members; compose meaningful, award-winning new repertoire; produce Grammy Award-winning recordings; and are highly sought-after teaching artists, administrators and thought leaders. A testament to the excellence of a CIM education, more than half of the members of The Cleveland Orchestra are connected to CIM as members of the faculty, alumni or both, and CIM alumni occupy hundreds of chairs in major orchestras worldwide. The school’s increasingly diverse collegiate and pre-college student bodies benefit from access to world-renowned visiting artists, intensive study with CIM’s stellar faculty and the rich curriculum offered by CIM’s partner, Case Western Reserve University. A leader among its peers, CIM is the largest presenter of free performances, master classes and community concerts in the Midwest, hosting hundreds of events each year on campus and at locations regionwide, including Severance Music Center. CIM Code of Conduct

The following code of conduct is intended to preserve freedom of expression and association at the Cleveland Institute of Music, while protecting the civil, personal, and property rights of CIM and its constituents. Conduct which may be subject to disciplinary action includes:

- Intentional disruption or obstruction, by interference with the freedom of movement of people or by any other means, of teaching, performance, administration or other CIM functions
- Physical abuse of, or threat of physical abuse to, any person on CIM premises or at CIM-sponsored or supervised functions
- Illegal possession, distribution, or use of drugs or violation of the alcohol policy.
- Refusal to comply with directions of CIM instructional and administrative staff acting in performance of their duties
- Theft of or intentional damage to property of CIM or property of a member of CIM community or campus visitor
- All forms of dishonesty including cheating, plagiarism, knowingly furnishing false information to CIM, forgery, alteration or misuse of CIM documents, records or instruments of identification
- Action constituting violation of law
- Unauthorized and improper use of computers, network facilities, information services and resources

All students must maintain a professional attitude toward their CIM performance and classroom commitments. Regular, punctual attendance and preparation for rehearsals and classes are crucial to the attainment of professional artistic goals.

Occasions may arise when an individual student or student ensemble is called upon to perform at special CIM community, cultural or fundraising events. Such performance venues engender opportunities that are wholly consistent with the mission of the Institute. Invitation to participate in such an event is considered an honor, and such services are provided without payment.

CIM Student Policies

Attendance

Attendance is an integral component of success in musical study. A pattern of excessive tardiness and absences – either excused or unexcused – may result in probation or dismissal. It is the responsibility of the student to inform the appropriate teachers, ensemble directors, and/or the Preparatory and Public Programs Office of any upcoming absences with at least 1 week notice by emailing the appropriate faculty members and Preparatory@cim.edu.
Saturday Program Attendance
Students are permitted three excused absences per semester. Attendance and participation will be reviewed regularly as part of the student’s ongoing evaluation. A pattern of excessive tardiness and absences – either excused or unexcused – may result in the student being placed on probation or dismissed. Any Saturday absences must be communicated with the Preparatory Staff by emailing: Preparatory@cim.edu.

Excused Absences
Excused absences are an absence with at least one week notification provided to the teacher for any of the following reasons:
- Illness
  - If an illness is sudden, occurring on the day of a lesson or class, please notify the teacher as soon as it is determined that the student will be unable to attend
- School music events
- College preparatory tests (i.e.: PSAT, SAT, ACT) or college visits
- Significant family events, such as weddings, funerals, and pre-planned vacations
- Conservatory/Music School auditions
- Participation in National or Regional music competitions
- OMEA events including All City, All State, Festival, Honors Orchestra/Band
- Other events as approved by the Associate Dean

Unexcused Absences or Excessive Tardiness
- Any absence without a one week notice or for an insufficient reason, as determined by the Associate Dean, is considered an unexcused absence
  - Any absence without explanation or reason included in notification will be unexcused.
- Faculty are not obligated to reschedule lessons missed by students
- More than three late arrivals to any lesson, class, or ensemble rehearsal is considered excessive
- Faculty are required to report unexcused absences and excessive tardiness to the Preparatory Office

Add/Drop Period
Students may request a course be added or dropped from their schedule during the add/drop period. The final date to add or drop a course is the fourth Friday of each semester.

Applied Lessons Policies
Private Lessons are the primary component of CIM curriculum. One-on-one instruction provides individualized training and requires a strong partnership between student and faculty for best success. To best facilitate that partnership, please adhere to the following studio policies.
- Attendance at all lessons is expected. Lessons missed by the student are not required to be made up by faculty. Faculty are required to reschedule any lessons they are unable to attend or arrange CIM faculty substitution
- Lessons are required to be held at CIM Main Campus or Branch location. Under no circumstances may lessons take place in a private home or home studio
- Faculty are required to cease all teaching and/or coaching for students who have not paid or made payment arrangements with the Business Office. The Business Office will inform faculty when a student’s account falls into arrears which requires teaching to be suspended

Revised:
August 2, 2023
• Faculty may not solicit, transfer, or retain any student referred by the CIM Preparatory and Public Programs Department to their private teaching practice
• Any student recommended to faculty through the Preparatory and Public Programs Office must be registered as a CIM Preparatory and Public Programs student and must be taught at a CIM branch or at our main campus
• Individual studios may establish additional policies and preferences. Please refer to course syllabus for individual faculty requirements

Transfer Requests
Any student requesting a studio transfer (changing applied lessons teacher) must complete the following steps:
  1. Communicate with current faculty member about desire to transfer studios
  2. Request a Transfer Request Form from the Preparatory Office
  3. Obtain signatures from the current faculty and Associate Dean
  4. Work with Associate Dean to determine best studio placement. This could include sample lessons and/or conversation with potential faculty
  5. New studio placement is decided and student obtains signature from new faculty, parent, and student
  6. Studio Transfer Form submitted to the Preparatory Office
     a. Transfer requests are not considered approved until written notification is received by the Associate Dean. Lessons with a new teacher may not begin prior to these steps being completed

Youth Supervision
To ensure student safety, youth students should be picked up promptly after instruction. CIM faculty and staff do not supervise students waiting in campus hallways before, during, or after instruction. Students participating in Saturday classes are expected to be picked up after their last class.

Academic Honesty & Integrity
All forms of academic dishonesty including cheating, plagiarism, misrepresentation, and obstruction are violations of academic integrity standards. Any student suspected of an act of academic dishonesty is subject to disciplinary action.

Probation and Dismissal
CIM’s goal is to ensure the success of each of our students. Our regular end-of-semester assessment is designed to address these issues before probation or dismissal is necessary. Issues should be addressed as they arise, and we encourage students, families, and faculty to contact the Preparatory Office with any student concerns. On the rare occasion that a student is not meeting expectations, the following process will be followed:
  1. Staff and faculty gather information to understand student situation
  2. Intervention meeting will be scheduled with the student, parent and/or guardian, primary applied lesson faculty, and Associate Dean
     a. In this meeting, all reasonable efforts will be made to find solutions and accommodations before potential probation or dismissal occurs
  3. Probationary period will be for length of time as determined in the intervention meeting
4. At the end of the designated time, a probationary review will take place. Faculty and staff will make the decision to reinstate or request that the student leave the program.

If a student is placed on probation more than two times in one semester, the student may be dismissed from the program.

A student may be placed on probation or dismissed for any of the following reasons:
- Failure to follow the CIM Code of Conduct*
- Unsatisfactory progress in the principal performance area as determined by assigned CIM faculty member(s)
- Losing good standing in any CIM Preparatory and Public Programs course including private lessons, ensemble, and/or musicianship courses
- Excessive absences, tardiness (either excused or unexcused), or unpreparedness for classes, lessons, rehearsals, or other CIM activities
- Consistent disregard of policies and procedures outlined in the CIM Preparatory and Public Programs Handbook

*Students in violation of the CIM Code of Conduct (pg.7) are subject to dismissal without a period of probation and may be ineligible to continue studies in the CIM Preparatory Department.

If an Academy student is dismissed from the program as a disciplinary action, tuition and fees will not be refunded for the semester the dismissal occurred. Students who wish to return to the Preparatory and Public Programs Department following dismissal must re-apply and/or re-audition.

**Leave of Absence**

To request a leave of absence, please request a leave of absence form by emailing Preparatory@cim.edu.

An approved Leave of Absence permits a student to be excused from enrollment for one semester without needing to re-audition to return. A student may request a second semester extension, if applicable.

Application for a Leave of Absence (LOA) in good standing from the Cleveland Institute of Music requires the appropriate request form to be completed by the student/guardian and signed by the student’s primary faculty member(s). The student must obtain the signature of the Associate Dean of Preparatory and Public Programs for final approval. A Leave of Absence may be requested at any time; however, the tuition refund schedule remains in place.

Any financial aid award is relinquished at the time of Leave and will require re-application at the time of returning.

Notice to return from Leave:

For a Fall semester return, request return no later than **April 1**
For a Spring semester return, request return no later than **November 1**
For a Summer term return, request return no later than **March 1**
Voluntary Withdrawal

If eligible, a student who has voluntarily withdrawn may apply for readmission through the regular application/audition process.

Withdrawal Date Determination

**Official Withdrawal:** The student begins the CIM withdrawal process, or the student otherwise provides official notification to CIM of intent to withdraw. Complete the Withdrawal Form or Leave of Absence Form, as applicable.

- The “Withdrawal Date” will be the date the student begins the withdrawal process, or the date that the student otherwise provides the notification (if both circumstances occur, the earlier is used as the withdrawal date).
- The “Date of CIM’s Determination the Student has Withdrawn” is the student’s withdrawal date or the date of the notification, whichever is later.

**Unofficial Withdrawal:** If official notification is not provided by the student due to circumstances beyond the student’s control, OR all other instances where the student withdraws without providing official notification. The “Withdrawal Date” is the date that CIM determines is related to the circumstance beyond the student’s control. For all other instances, it is the midpoint of the payment period.

- The “Date of CIM’s Determination the Student has Withdrawn” is the date that CIM has become aware that the student has ceased attendance. If, at the end of a semester, a student has earned zero credits, CIM will attempt to verify if the student attended any class(es) or not. If no date of attendance may be documented, CIM must assume the student never attended.
- In place of the “Withdrawal Date” determinations listed above, CIM may always use the student’s last date of attendance at an academically related activity if the school documents that the activity is academically related and that the student attended the activity.

When a student completely withdraws from school during the Fall or Spring semester, the tuition is refunded based upon a percentage of the semester’s total tuition. The amount is prorated per week. CIM Financial Aid, as applicable, will follow the same prorated formula.

**Leveled Approach**
Our performance curriculum is designed to teach the art of performance with a developmental and sequential approach. The following performance categories provide varied opportunities to match students’ needs.

**Studio Class** – small group of similar applied area students, informal, approximately 5 times per semester as schedule permits

**Academy Performance Hour** – weekly, Saturdays 12:00-12:45 in Mixon Hall; generally informal, no printed program, students will announce their piece from stage

**Community Outreach** – varies by venue and event

*Revised:*
*August 2, 2023*
**Academy Recital; Ensemble Concerts; Program Specific Recitals** – formal recitals with printed programs; most livestreamed and recorded

**Showcase Recitals** – twice per semester; highest level performers by nomination of faculty; concerts are publicized, livestreamed, and recorded

**Assessment**
Assessment is a core component of the Academy’s comprehensive curriculum.

**Progress Reports**
At the end of every semester, all students will receive progress reports. Students required to participate in juries will also receive specific performance jury feedback.

**Performance Jury**
A performance jury provides students the opportunity to perform their assigned repertoire in front of a live jury panel comprised of educators across various performance areas. All students receive specific feedback after each jury. Juries are closed to all but faculty and student performer.

Lower Academy students are not required to participate in a performance jury unless seeking level change into Academy Foundations.

**Frequency**:  
Foundations – Spring  
Intermediate and Advanced – Fall and Spring

**Requirements**:  
Students should be prepared to perform 2 pieces and appropriate scales/etudes for their instrument and level as assigned by their applied lessons teacher.

*Students seeking a level change (e.g., Lower Academy to Foundations; Foundations to Intermediate) must participate in a Spring performance jury to be recommended for the next level

**Requirement Waiver**
In unique circumstances, a student may not be able to complete a curricular requirement. In those instances, the student’s primary faculty member must complete the Requirement Waiver Request form at least 30 days before the end of the semester.

**Secondary Performance Study**
Secondary performance study is available in all applied study areas. This option incurs an additional tuition charge.

There are two types of secondary performance study:

- **Secondary Study (Minor)**
  - Requires Primary Performance Faculty and Associate Dean approval
  - No audition required for study
- No performance or assessment requirement
- Treated as a la carte lessons; semester hours determined by faculty and student
- Tuition is determined by semester hours at a rate of $100 per hour of instruction

- Double Major (Upper Academy Only)
  - Requires audition for both areas of study
  - Includes 15, 60-minute lessons per semester and the respective secondary instrument’s Studio Class participation
  - Requires all performance and assessment components of curriculum in both areas of study
  - Additional $1,200 tuition charge

CIM Recording Arts & Services (RAS)
The goal of the Recording Arts & Services staff is to support the mission of CIM by creating professional-level recordings and making services as accessible as possible. Each school year, the Recording Arts & Services (RAS) department is responsible for recording about 600 concerts, recitals, recording sessions and rehearsals for CIM faculty, students and alumni. The RAS team also manages the PA system and mobile audio/video projection requests, maintains studio audio/video equipment and creates duplications of recordings.

Recording Sessions
Upper Academy students are permitted to reserve up to 6 paid hours of recording time per year, as building schedule allows. Recording sessions supported by staff or student recording engineers can be scheduled in the concert halls. Self-Recording Sessions can be scheduled in concert halls or other large spaces.

Recording sessions can only be scheduled when hall time is available. We recommend scheduling as early as possible to provide the most flexibility. Contact the Preparatory Team to start the scheduling process.

Fees
Hall Rental - Up to 6 hours per academic year included in Upper Academy tuition; $150 per hour after 6 hours
Engineering Fee - $60 per hour for all CIM supported recordings; Self-recording sessions do not incur an engineering fee

Lower Academy and Continuing Education students may reserve recording services for the fees listed above.

Obtaining a Recording from RAS
The Cleveland Institute of Music’s Recording Arts & Services Department provides high quality livestreams and recordings of all formal recitals. Your faculty member will be sent a recording of your
student’s performance, typically within 2 weeks of the recital date, so please speak with them directly if you would like a copy!

Registered Academy and Continuing Education Programs may request a Library card in the Robinson Music Library, which allows families and individuals to check out up to 10 books or non-JMP scores at a time for the semester.

Upper Academy and Continuing Education students will be able to have a Library card made for them at the Robinson Music Library at CIM’s Main Campus Building. Upper Academy students should present their CIM ID to the library staff; a barcode will be added to the back of the card to allow students to check out books and access other library resources.

Search materials via catalog.case.edu (Add limit: CIM). Library accounts expire after a year (in May). Academy students with CIM credentials may also utilize CIM online subscriptions and databases, accessible via https://www.cim.edu/aboutcim/library.

Note: Students enrolled in the Young Artist Program are coded as undergraduates, so they have the same privileges as CIM conservatory students.

School Closings
During or after heavy snows, CIM may be forced to close. Students will be automatically signed up for the CIM Emergency Alert System, CIMALERTS at GetRave.com. The system will send emails to a single email per student. Using enrollment information, CIMALERTS will send a text message and email message announcing closings.

For those situations where multiple emails are needed to contact everyone, those not included should consult the CIM website or the websites (or live broadcasts) of local television/radio stations or call the school for building access.

On occasion, Preparatory teaching is cancelled, but the building remains open for Conservatory activities. Students should check the CIM website closely to determine what applies to them. CIM makes every effort to accommodate the rescheduling of recitals cancelled during building closures.

Lost & Found
Any item found and believed to be the property of another person should be given to the security guard on duty at the Security/Room Control Desk. Items that have been unclaimed for an excess of 30 days become the sole property of CIM for final disposition.
