

Private Scholarship & External Aid Information Form 2023-24

Submit this form to notify the CIM Financial Aid Office of all externally funded scholarships or resources you may receive for the 2023-2024 year as soon as you become aware of the expected funding. This includes, but is not limited to support from outside/private scholarships, parent employer tuition remission, Fulbright Awards, National Merit Scholarships, free housing arrangements (other than with relatives), etc.

While external aid rarely affects CIM Institutional Scholarship / Grant aid, it must be included as a resource towards of total aid awarded to each student. If federal need-based aid has been awarded and federal demonstrated need (Cost of Attendance minus FAFSA EFC) has been met, loans, work-study and/or federal/state grants (in that order) may need to be adjusted, reduced, or canceled to prevent an over-award, which federal law prohibits. Total aid may not exceed total cost. Federal Pell Grant and CIM Scholarship would be the last things reduced, if necessary.

*If the outside aid being reported is coming from an individual person(s), (not a foundation, agency, etc.), and is for an international student documenting funding resources for I-20 purposes, this form is not applicable. Instead, documentation from those sponsors shall be reported to CIM on the **2023-2024 Sponsor Documentation Form**.*

If funds reported on this form (or any external funding) later become unavailable for any reason, CIM shall not be expected to replace such loss with its own funds.

If enrollment verification (not available until after the first day of enrollment) or grade reports are required, the student must request them from the CIM Registrar’s Office at registrarweb@cim.edu.

To assure proper credit, notify the payer of this award to remit the check payable to Cleveland Institute of Music and mail to: CIM Financial Aid Office, 11021 East Blvd., Cleveland, OH 44106
