

TRANSFER APPLICANT INFORMATION

Per the Code of Ethics of the National Association of Schools of Music (NASM), you may be considered eligible for financial aid during your initial semester of enrollment at the Cleveland Institute of Music only if the Music Executive (Dean, Director, Music Dept. Chair, etc.) of your current school specifically gives their consent for CIM to make an aid offer to you. If you are currently enrolled in collegiate-level music study, or if you have expressed intent to enroll at another college-level school beginning with the next academic term by submitting a tuition deposit or intent-to-enroll form, you must complete this document and present it to the Music Executive at that school. You will receive no scholarship / financial aid offer from CIM until this document is on file at CIM. *To see if your current school is a member of NASM, enter your school's state in the search box at the bottom of this page: https://nasm.arts-accredit.org/directory-lists/accredited-institutions/ If your current school is not listed, the school information area at the bottom of this page may be left blank
